7 AM-9 PM, Su  
\*Hours subject to seasonal change  
The pool will close approximately 30 minutes prior to the building closing. We do anticipate opening the pool at 6am during certain seasons.**

What is the size of the pool?

**25 yard pool with 6 lanes  
Diving well  
Outdoor Splash Pad and Patio**

**This is an indoor pool with retractable roof and the ability to open all the doors on one side to give it the feel of an outdoor pool in the warmer months.**

When will it open?

**We do not have an exact opening date but are hoping to be open Memorial Day weekend (May 25, 2013)**

Will the pool offer classes for adults (aqua fit style) and children?

**Yes. We currently offer group swimming lessons for children and adults of all ages, as well as private lessons. Traditionally this has only been in the summer months as our existing Roger Carter pool is outdoors. We are planning on expanding these offerings in the fall, winter and spring seasons.**

**In addition, we currently offer one Aqua Aerobics class per week in the summer months; we are looking to continue this class and adding more Aqua Aerobics classes to the pool schedule for the fall, winter and spring seasons.**

Will there be a swim team associated with the pool?

**Our current swim team (the Roger Carter Seals) will continue to swim in the Prince-Mont swim league in the summer. The season runs from the end of May to the end of July. We are exploring the option of having a year-round swim team at the new center.**
